Cabarita Long boarders Club was founded in 1995 by a dedicated group of surfers that used to meet at the headland every Sunday morning. From these humble beginnings the group has now expanded to become a Club gathering of people from all walks of life that enjoy all the activities associated with the sport of Long boarding. A friendly competition is held on the 4<sup>th</sup> Sunday of every month. This has divisions for Open 9ft. Also regular events are held in conjunction with other Long board Clubs throughout the region. These are looked forward to by all. For more information regarding the club contact the Secretary. ## PRESIDENTIAL REPORT

Hi everyone,  
Hi everyone, we had a pretty good club comp at south side Caba. We always seem to have good luck for our comps. Well done to the members who went to the Aussie Longboard titles, Kirsty made the finals of her division, and placed third. Rick and Peter did well but missed out on making the finals. I hope everyone can come along to the interclub contest at Wategos Beach, Byron Bay, on the 20th September at 7am, we are going to meet at the point at 6am, car pool and leave by 6.15am. Can I request that if you can't be there, can you let either myself or Jim know. I will be back from snowboarding in NZ, so I'll see you all at the point for the trip to Byron.

## TREASURED REPORT

It was a pleasant surprise that the last comp day went ahead considering the look of the waves at first glance. It turned out to be a great day though. Money stuff - another \$280, from memberships has been deposited in the bank and about \$72, from drinks, has been added to our petty cash.  
Cheers, Russell.

### SECRETARY'S DECKTOP

Some updates that have come from the last committee meeting:-The club is putting our club dates on the Lennox Head private web site. This is a way in which we can generate more interest from the general public (like minded).

The newsletter is to take on a new look, with some colour inserts, so don't be afraid to put some things of interest forward. (Ed - may not be for this issue as has taken longer than thought to update).

Knowing how we like to collect our surf/contest shirts, there is a whisper of a club sticker.

For those of you older than me, Sean McKeown has dropped in some entry forms for the Maili Masters, divisions are over 40's females, and over 45's males, being held on 26<sup>th</sup> & 27<sup>th</sup> September at Rainbow bay. See me next comp for a form.

That's all from Mal's desk, so don't drop in and stay true to the reason your out there and enjoy the ride.

Mal McKay

Why can't the Queensland border be to the south of Balina

So someone else agrees with me, the border should be moved, instead of it being just north of Sydney, lets take it to the south of Balina. Why not.

Many Thanks for your time - Mike Pimm.
