## President's Report.

G'Day Clubbers,

Tis the season for being jolly. Not too jolly cause there are women and children around. I would like to wish all club members' and their families a very merry Xmas and a Happy and Prosperous New Year. A pity I can't be there (first Xmas party I have missed in 10 years). A very up and down year surf wise as we did abandon a few monthly comps this year but once La Nina leaves us next year we will, hopefully, be back into a regular pattern!! A number of club members made semis and finals at various specialty events up and down the coast, including our own Lennox Classic. A number of competitors who regularly turn up for our contest make terrific comments like; great that it is only a 2 day contest, fantastic prizes: worth the entry fee; and a great vibe. I think the effort club members put in, over the year, shows great results not only for us but also the charities we donate too. Well done everybody. A special mention to our outgoing Secretary, George Leslie, and Treasurer, Peter Stephens, who wanted to make our club the "best little longboard club" on the east coast. Their efforts were huge and definitely rewarding for the club. To all our new, younger members, who joined this year I hope you have a great party on the 11<sup>th</sup> and enjoy your first Lennox Longboarders Xmas party!! And to all the "older" club members I know how you all love to party, so enjoy and I'll see you all next year. Adios amigos, Feliz navidad y un feliz ano Nuevo, El Presidente. 2010, Jimmy Baker

## Secretaries Report

G'day everyone,

Well it's certainly been an interesting year for the club with positive development of our equipment and lots of great new members and their families enjoying the benefits and fun of being part of such a great little club.

I have enjoyed taking on the Sec's role for the last 4 years but feel, that for the longevity of the club, that new blood needs to be introduced onto the committee to see us into the next decade with positive direction and guidance.

This year's Classic was a particularly rewarding one with the addition of some great, and very supportive, new sponsors like OLD GUYS RULE, XXXX Summer Bright, Global Surf Industries, Coca-Cola Amatil & Flojos. We also had the support of many of our past sponsors Sun Zapper, ALB, The Northern Star, Dirty Dog sunnies and many more, thank you all so much.

I would also like to thank the Lennox Hotel, Greg Campbell and all his staff, for their continuing sponsorship of the club as it makes our financial operation that much easier. My personal thanks also to Andrew & Daniel at Mi Thai, and Ian & Marta at Fishy Fishy, for their support with the prize vouchers for our monthly comps, thanks guys.

Thanks to all our committee and members for their contributions during the year and especially to Peter Stephens for doing an amazing job as Treasurer.

I'm sure that 2011 is gonna be a cracker!!!!

Cheers ..... George

### Lennox Longboarders November Round 2010

The Lennox Longboarders final round of 2010 was held on the 21<sup>st</sup> November. The wind was blowing 10 to 15 knots from the SE creating mushy onshore 2-3 waves.

Despite the challenging conditions some outstanding surfing was on show, especially from the boys. Jack Shanahan, Kurt Hardy and Callum Gover put the senior surfers on notice with some terrific nose rides and carving turns, fearlessly charging the shore dump.

It has been a great year of competition with over 50 surfers competing in the men's, women's, and cadet divisions. The annual general meeting and Christmas party will meet on 11<sup>th</sup> December 2010, all members are welcome, check the club website- [www.lennoxlongboarders.org](http://www.lennoxlongboarders.org).

Next year's competition will restart on the second Sunday in February 2011, meeting at the usual area in front of the Lennox Hotel. Many thanks to our sponsors, Mai Thai, Fishy Fishy restaurants & the Lennox Hotel for all their support for the year.

From the club, a very merry Xmas, a safe festive season to all our supporters & members.

# The year 2010 in some pics

MERRY CHRISTMAS TO ALL FROM THE LENNOX LONGBOARDERS & A SAFE FESTIVE SEASON..

# Old Guys Maldives Vomit Tour 2010

Back in late May early June a few boys, well 8 of us ranging from 50 (Bozo was the trip grommet) to 64 hit the Maldives for 13 nights on a 65' boat heading down to the Central Atolls for some R&R and fun and games. The three from our club were myself, Neil 'Santa' Edmonds and Col 'Colphin' Chandler.

The 6 of us from around here got picked up at our homes at 4.00am by a hire bus for the trip to Brissie airport, the grommet brought along a case of Coronas that were all gone by the time we hit Robina, well done Bozo. The flight left at around 9.30am then via Singapore to the Maldives getting there close to midnight and straight onto the Bolero.

Next morning we motored off down to the Central Atolls where we spent 7 days surfing the likes of Quarters, F1's, Kandooma and a nice spot named "Rip Tides", a great stand up break in the middle of a channel and nice at around 4ft, lots of fun. Overall the swell was pretty inconsistent and with bad weather forecasted we decided to head back up to the North Male Atolls, the most surfed areas of the Maldives.

After a stopover and burger in Male we headed to Jails which is the first main break in that area with 4ft waves and 10 in the water. I'd watched Jails absolutely perfect back in my trips 92 to 94 when surfing was not allowed there .... the Maldives main prison then .... and to get back there and see it crankin was amazing. Over the next 5 days we surfed it every day up to well overhead and it was GREAT. A few of the boys, Santa, Muzza and Donny hit the left hander Honkeys across the channel from Jails and scored that pretty good also.

Over all a "stoked trip" lots of waves, a few nice fish pulled in, plenty of "freezer temp" Bintangs and lots of good memories with a bunch of good guys and now some solid new friends. Thanks to Donny, Santa, Bozo, Vernon, Belly, Colphin & Muzza for being part of a great trip.

Couple of our shots to check out. Oh and VOMIT stood for Venerable Old Men in Tubes!
