Club Captain's Report.

Hi everybody, 2011 was a great year. There is always a great atmosphere at club rounds which comes down to the people in our club, yes that's you.

Our last club round was loads of fun with small contestable waves and high tide, I'm sure everyone enjoyed the day.

Paul Hicks, we will all miss you mate. Paul left us with awesome memories. I loved surfing against him, always very competitive and very powerful, also his full bore approach with powerful off the top turns. Paul was an excellent club person always tabulating and always there as he will be in our hearts and minds, thanks mate RIP.

Club presentation, what a great afternoon /night. Thanks to Ben Dickens for bringing down the Stand up Paddle boards, everyone who had a paddle enjoyed it. The food was awesome. I would like to thank Greg and Debbie Gover for that lovely baked ham, Sally, Forfar and Cathy for their efforts with food platters and to all other club members for their excellent salads and desserts.

Congratulations to all division winners and trophy recipients, well done. Congratulations to our new club president Gary Alford and thanks to Jim Baker our outgoing president for your efforts in 2011. I would also like to thank Wayne Booth for his dedication to our club, Wayne you are the backbone of Lennox Longboarders. Over the Christmas period Lennox Point put on some great waves but it was very busy. Flat Rock and North Wall also performed.

Looking forward to catching up with everyone

See you at the next club round

Yours in surfing Darin
